Social Media & Photography

We often come across the perfect ultrasound photograph, and with your consent and approval, we would like to engage and share your photo if selected on our social media, website, or blog. Of course, your privacy is the first priority, and if you prefer to opt-out, please do let us know.

Likewise, we encourage all of our patients who use social media to feel free to share their experiences with us on their social media channels, including personal stories and experiences with their pregnancy. Please use the hashtags: #drjadali #perinataldiagnosticcenter

Consent

I authorize the use of my photographs in the formats listed below. I waive any right to inspect or approve the finished product, advertising, or other copy that may be used in connection with the options below. I understand that I may request to be anonymous in any use of photographs.
